# You Don't Know What You Mean To Me

## Edwin Mccain

Baby, don't you worry about your man
I'll be comin' home just as soon as I can
I got love in the palm of my hand
Got to get back to you as soon as I can
You don't know what you mean to me
You don't know what you mean to me
You don't know
No, no, you don't know
I've got lovin' you on my mind
I'm startin' right now so I will be on time
I wanna do all that I can
Just to prove to you that I'm a livin' soul man
You don't know what you mean to me
You don't know what you mean to me
You don't know
No, no, you don't know
Gonna love you 'cos that's the way I planned it
I'm gonna kiss you 'cos that's the way I planned it

I'm gonna love you 'cos that's the way I planned it
I'm gonna love you, love you, love you as hard as I can
Let's go
Baby, don't you worry about your man
I'll be comin' home just as soon as I can
I got love in the palm of my hand
Got to get back to you as soon as I can
You don't know what you mean to me
You don't know what you mean to me
You don't know
No, no, you don't know
You don't know what you mean to me
You don't know what you mean to me
No, you don't know, baby, no, no, no, no
You don't know what you mean, baby
No, no, no, no, no, no
You don't know
