

Depending on You

Nightlands

can you feel the diamond light
scattered across the sky by the night?
the yellow moon is turning blue
and baby that is why I'm depending on you
you know it's true
I'm depending on you
(Abba Abba, Yahweh Yahweh)
that's what I do

I'm depending on you are you made of morning light?
and will the horizon fade from my sight?
the shadow world is bleeding through
and baby that is why I'm depending on you
(Abba Abba, Yahweh Yahweh)
