Now Or Never

Three Days Grace

In this time, are we loving
Or do we sit here wondering
Why this world isn't turning around,
Its now or neverWe have no use
For the truth
Now's the time for us to lose
Who we are and how we've tried
Taking every step in stride
It's now or never to decideIn this time are we loving
Or do we sit here wondering
Why this world isn't turning around
It's now or never
In this way are we learning
Or do we sit here yearning
For this world to stop turning around
It's now or neverWhere's the truth
For us to use
Cause all we seem to do is lose
Who we are and how we've tried
Are we all the same inside
It's now Or never to decide
