Time Goes On

DULO

A cloud will rise, the sky will fall
A flash of lights will bury us all
(cause we are a time bomb)
The flashes rain and hide the sun
All that remains is what we've done
(cause we are a time bomb)
We're waiting as time goes on and on, and on, and on
(Chorus)
Underneath the sky we'll rise and fall
Till the weight of life is gone
Underneath it all dies to go on and on, and on, and on
A new empire to wear the crown
A new desire will carry us down
(cause we are a time bomb)
A life destroyed, a culture lost
A little boy will measure their cost
(cause we are a time bomb)
We're waiting as time goes on and on, and on, and on
(Chorus)
Underneath the sky we'll rise and fall

Till the weight of life is gone
Underneath is all dies to go on and on, and on, and on, and on
And time goes on
As time goes on
And time goes on
Yeah
Now lives will be drawn
In the fatal memory of,
The lives come and go,
Time still goes on,
A new day will dawn,
and die beneath the sun,
for life times to come -
Time carries on!
(Chorus)
Underneath the sky we'll rise and fall
Till the weight of life is gone
Underneath it all dies to go on and on, and on, and on and on

on and on and on and on - on and on and on and on - and the time goes on
yeah time goes on
