Upside Down

Vicci Martinez

Upside down
Upside down
Upside down
My grades are down from A's to D's
I'm way behind in history
I've lost myself in fantasies
Of you and me together
I don't know why but dreaming's all I do
I won't get by on mere imagination
Upside down, bouncing off the ceiling
Inside out, stranger to this feeling
Got no clue what I should do
I go crazy, if I can?t get next to you, to you
My teacher says to concentrate
So what? His name was Peter the Great
Kings and Queens will have to wait
'Cuz I don?t have forever
I wish that I could walk right up to you
Each time I try the same old hesitation
Upside down, bouncing off the ceiling
Inside out, stranger to this feeling
Got no clue what I should do
I go crazy, if I can?t get next to you, to you
Somehow, someday
You will love me too
One day will be the day
When all my dreams come true
Upside down, yeah, yeah, yeah, yeah
Upside down, bouncing off the ceiling
Inside out, stranger to this feeling
Got no clue what I should do
I go crazy, if I can?t get next to you
Upside down, bouncing off the ceiling
Inside out, stranger to this feeling
Got no clue what I should do
I go crazy, if I can?t get next to you
I go crazy, if I can?t get next to
I go crazy, if I can?t get next to
I go crazy, if I can?t get next to you
