# Don't Follow Me

## Cody ChesnuTT

You can follow the wind
Follow your skin
Follow a tree
That follows the sea
Follow the stars
Follow who you areBut whatever you do, don't follow me
(Don't you follow me, don't you follow me, don't you follow me)
But whatever you do, don't baby
(Don't you follow me, don't you follow me, don't you follow me)
Don't follow me
Cause I've much to do years on
(Don't you follow me)
You can follow the times
Follow a flying sht
Even follow the spark that will turn timber into ash
You followed he uh
Even follow a beastBut whatever you do son, don't follow me
(Don't you follow me, don't you follow me, don't you follow me)
Whatever you do son, don't baby
(Don't you follow me, don't you follow me, don't you follow me)
Don't follow me
Cause I've much to do years on
(Don't you follow me)You will be in, watching every step I take and I
I want you to remember
I did what I did
Because, because I didn't know what I know now
I didn't know what I know now
But I, I give it all to you
Don't follow me
(Don't you follow me)
There's a knife you can take if you ...
(Don't you follow me, don't you follow me, don't you follow me)
