## R. City

Think rich either that or we die poor  
Think rich either that or we die poor  
Think rich either that or we die poor  
Right about now

The first bed I slept on came out the garbage can  
But I knew when I got older I would be the man  
Ain't no one ever made it back from where I'm from  
But I knew if I kept grindin' oh my time would come  
When my daughter was born I really thought it was over  
Had to get a 9 to 5 but that's when I was the brokest  
If I was gon change my life you know that I had to focus  
Started doing talent shows hoping that somebody noticed

Finally finally finally I get to put the past behind me-hind me  
Now everyday meh hustle and grind remind me  
No have if struggle anymore  
Ain't this what we do it for

So many tears we've cried  
So much pain inside  
But hear me it ain't over till it's over  
So many years we've tried  
And me no tell no lie  
But hear me it ain't over till it's over  
Unno hear me

Think rich either that or we die poor  
Think rich either that or we die poor  
Right about now

See in the hood its playing ball hustle crack or you die  
Born to lose so I had to hustle from day to night  
Knew it would happen when I started rapping at the age of 5  
They told me I wouldn't make it never said that I couldn't try  
Grew up with killers my homies were dope dealers  
But I don't judge em at all cause God knows that we all sinners  
Somehow I turned out different now we only getting bigger  
And now everybody in the caribbean's ridin' with us

So finally finally finally I get to put the past behind me-hind me  
Now everyday meh hustle and grind remind me  
No have if struggle anymore  
Ain't this what we do it for

So many tears we've cried  
So much pain inside  
But hear me it ain't over till it's over  
So many years we've tried  
And me no tell no lie  
But hear me it ain't over till it's over  
Unno hear me

It ain't over it ain't over until it's over  
It ain't over it ain't over until it's over  
It ain't over it ain't over until it's over  
Oh-ooh-whoa-oh  
Oh-ooh-whoa-oh

So many tears we've cried  
So much pain inside  
But hear me it ain't over till it's over  
So many years we've tried  
And me no tell no lie  
Cause baby it ain't over till it's over  
Unno hear me
