

# When We Was Fab

George Harrison

Back then long time ago when grass was green  
Woke up in a daze arrived like strangers in the night  
Fab long time ago when we was fab  
Fab back when income tax was all we had Caresses fleeced you in the morning light  
Casualties at dawn and we did it all  
Fab long time ago when we was fab  
Fab you are my world you are my only love And while youre in this world  
The fuzz gonna come and claim you but you mo better wise  
When the buzz gonna come and take you away  
Take you away, take you away The microscopes that magnified the tears  
Studied warts and all still the life flows on and on  
Fab long time ago when we was fab  
Fab but its all over now baby blue Fab long time ago when we was fab  
Fab like this pullover you sent to me  
Fab and youve really got a hold me  
Fab long time ago when we was fab
