

# Crucificados Pelo Systema

## Sepultura

nascer para liberdade  
e crescer para morrer  
crucificados pelo sistema  
morrer sem esquecer  
o povo que ficou  
crucificados pelo sistema

English Translate: Crucified By The System

born for freedom  
and grown up to die  
crucified by the system  
dying without forgetting  
the people left behind  
crucified by the system
