History Repeats

Metawon

I got this whole thing figured out
I guess Id better write it down, now
'Cause presently my memorys not terribly sound
Everything is twice around nowIt shouldnt be this hard, I guess Im not as smart
As Id like to think I am
And even though you wont admit it now
I know, you know, I know, you knowI guess it isnt any use
This keeps on coming 'round in twos
If history repeats itself, then what can I do?
Nothing I can say is news to youIt shouldnt be this hard, I guess Im not as smart
As Id like to think I am
And even though you wont admit it now
I know, you know, I know, you knowLets get this calendar straight
I shouldnt try to make sense of anything that goes on
But it goes on
Again and again and againIt shouldnt be this hard, I guess Im not as smart
As Id like to think I am
And even though you wont admit it now
I know, you know, I know, you know
