

# History Repeats

## Metawon

I got this whole thing figured out  
I guess Id better write it down, now  
'Cause presently my memorys not terribly sound  
Everything is twice around nowIt shouldnt be this hard, I guess Im not as smart  
As Id like to think I am  
And even though you wont admit it now  
I know, you know, I know, you knowI guess it isnt any use  
This keeps on coming 'round in twos  
If history repeats itself, then what can I do?  
Nothing I can say is news to youIt shouldnt be this hard, I guess Im not as smart  
As Id like to think I am  
And even though you wont admit it now  
I know, you know, I know, you knowLets get this calendar straight  
I shouldnt try to make sense of anything that goes on  
But it goes on  
Again and again and againIt shouldnt be this hard, I guess Im not as smart  
As Id like to think I am  
And even though you wont admit it now  
I know, you know, I know, you know
