

Master of Decay (Dismantled Remix)

3TEETH

Life by life
Waste to waste I'm harbinger
The master of decay Death by death
feast to feast I'm the jackal
the one you repay Truth by truth
lie to lie I'm the scale watcher
There's only one way Life by life
Waste to waste I'm harbinger
I'm harbinger
The master of decay The master of decay I'm harbinger The master of decay Death by death
feast to feast I'm the jackal
the one you repay Truth by truth
lie to lie I'm the scale watcher
There's only one way Life by life
Waste to waste I'm harbinger
The master of decay Decay
The master of decay The master of decay I'm harbinger The master of decay
