

We Give You Praise

Delirious?

When the road is rough and steep and it leads a heart to weep
There's an ocean of tears that You've held through the years
But we're not stopping here On this long and winding street will You guide these weary feet?
Every step that we take with our hearts full of faith
And we're not stopping here Together we are stronger so put Your hand in mine We give You praise, we give
You praise
And the King of all the earth has saved us from ourselves
We give You praise, we give You praise Through the avenues of time here You meet me where I am
We walk with glory and pain and You've broken the chains
So there's no stopping here Together we are stronger so put Your hand in mine We give You praise, we give You
praise
And the King of all the earth has saved us from ourselves
We give You praise, we give You praise Yes, we give You praise, we give You praise
And the King of all the earth has saved us from ourselves
We give You praise, we give You praise Glory, we sing glory, we sing glory
In the darkness where You shine
Let it shine, let it shine We give You praise, yes, we give You praise
And the King of all the earth has saved us from ourselves
We give You praise, we give You praise I love You Lord
We give You praise, praise, praise
We give You praise, praise, praise
