

The Violent Tango

Idiot Pilot

Go down
No more arms
Kissed, kills
Frozen, still I get stuck I get stuck, I can't stop
Dancing the dance of the moth
Smiling politely
As we push through glass Hey you
Over there
Come sit
Tell me, what is this? I get stuck I get stuck, I can't stop
Dancing the dance of the moth
Smiling politely
As we push through glass I get stuck, I can't stop
Dancing the dance of the moth
Smiling politely
As we push through glass I get stuck, I can't stop
Dancing the dance of the moth
Smiling politely
As we push through glass
