

# Druggy's Wit Hoes Again

## Schoolboy Q

Drugs, drugs, got them hoes again  
[ScHoolboy Q]Comin' down, comin' down, comin' down, comin' down  
Comin' down off a pill, see what next we on  
Bad little bitch in the driver's seat  
Fuck them rappers, should be bumpin' me  
Puff on your own, shit, I puff alone  
Won't pass the weed, but I'll pass a bitch  
Mastermind, the bitch stole my dick  
Stuck me up, and didn't hit a lick  
Retaliated, had to bust off quick  
Uh, let me see, here's some orange juice  
You like taking E? Hennessey, yeah, on the rocks  
Take a shot and I'll take a bop, uh  
Little sarcasm, swag O.D. got 'em all laughing  
G Hippy, he gon' orgasm  
Leanin' out the 4, now I'm really spazzin'  
Hmm, Backwoods, that good, high as hell  
YSL, nigga, rack me out, rack me out, I say rack me out!  
Just sold it out, then stack me out  
Fuck all that shit you be talkin' bout  
On the come up and the world can vouch  
Been around the world, now my mommy house  
Uh, pulled her panties south and I stuck it north  
Yeah I fucked, of course  
Having intercourse, I can fuck for life  
Guess I fucked her right  
She keep talking like  
You nasty (you nasty)  
You nasty (you nasty)  
You nasty (see Q you know you nasty)  
You know you nasty  
Bet I got some weed  
Bet I got yo bitch  
Bet she on her knees  
Bet she swallow dick  
Bet she love my swag  
Bet she leave yo ass  
Comin' down, comin' down, comin' down, comin' down  
[Ab-Soul]Solo ho (solo ho)

Solo ho (solo ho)  
Leanin' like a motherfuckin' cholo, ho  
Blue chucks on, El Pollo Loc'  
Black lip bastard, O.G. master  
Off of E she climax faster  
Spread her legs like mayonnaise

Been her game since Sega Saturn (Soooul)  
I won't pass the weed, but I'll pass your bitch  
Would you relax a bit? I'm on activist  
Them niggas thought I had a laxative  
Now, ain't that some shit?  
Hmm, ain't that some shit?  
She suck dick, but she don't give me no lip  
I run shit, but I don't be on no field  
Bust on hoes, don't need no clip  
Now, that's gangsta, bitch  
Rollin' through the city with my gangsta bitch  
I'm a gangsta, bitch! (HiiiPower)  
We on y'all heels like anklets  
Q, tell these niggas what we on  
??? hallway, blowed all day, carry on  
She unzipped these 501 jeans, after that she told me  
She told me...  
You nasty (you nasty)  
You nasty (you nasty) SOUL!  
You nasty (see Q you know you nasty)  
You know you nasty  
Bet I got some weed  
Bet I got yo bitch  
Bet she on her knees  
Bet she swallow dick  
Bet she love my swag  
Bet she leave yo ass  
Comin' down, comin' down, comin' down, comin' down  
Marijuana, hydro, pussy ho, ass, titties  
Marijuana, hydro, pussy ho, ass, titties  
Ass, titties, pussy ho, ass, titties
