Strong Again (Jorg Schmid Remix)

N-Dubz

N-Dubz N-Dubz
Na, na, naiOne day I had to punch up this one youth for trying to make a fool of me
In my hood there's only so many opportunities
Look I carry a tool for my pride and my jewelry
Now I find myself stuck serving the communitySee me I made a change, I didn't expect no fame
We came from practically nothing to thousands screaming our name
A-list, play list, even my mum's famous
I would do anything for some source of stadium statusSee the thing about life is that it's, it's just too short
Leave the past behind, and only then you'll find
There's more to life than you first thoughtCause I, I never ever, ever, ever
Thought that it would ever get better
Cause I, I never ever, ever, ever
Thought that it would ever get betterSee I, I never ever, ever, ever
Thought that I could face this weather
But life, it will only get better
Trust me, it will only get betterNa, na, naiGoing back to when I was young
And I, treated life like it would never end
But then I grew up, got a little clued up
Then N-Dubz blew up finally on my wayCause if you knew where I come from
You would understand why I sing this song
It's all changa, yeah, I put my hand up
In fact it made me man up and finally make a changeSee the thing about life is that it's, it's just too short
Leave the past behind, and only then you'll find
There's more to life than you first thoughtCause I, I never ever, ever, ever
Thought that it would ever get better
Cause I, I never ever, ever, ever
Thought that it would ever get betterSee I, I never ever, ever, ever
Thought that I could face this weather
But life, it will only get better
Trust me, it will only get betterCause I, I didn't ever wanna sing this song again
Didn't ever wanna sing this song again
Didn't ever wanna sing this
Ever wanna sing this song againAnd I, and I don't wanna walk this road again
And I don't have to be alone again
I can hold my head high, I'm strong again
I'm strong againMoney made no change, in fact it was more pain
Be's gone, who's to blame?
Look at all these youths today, rollin' round with 38s
Stickin' brothas for the white gold chains like

Look I didn't mean to hurt you mateBack in the day I used to roll with like thirty mates
Never had clean money, always had dirty plates
Be it now, we're grindin' an' washin' for like thirty days
Now we make [?]Cause I, I never ever, ever, ever
Thought that it would ever get better
Cause I, I never ever, ever, ever
Thought that it would ever get betterSee I, I never ever, ever, ever
Thought that I could face this weather
But life, it will only get better
Trust me, it will only get betterCause I, I didn't ever wanna sing this song again
Didn't ever wanna sing this song again
Didn't ever wanna sing this
Ever wanna sing this song againAnd I, and I don't wanna walk this road again
And I don't have to be alone again
I can hold my head high, I'm strong again
I'm strong again
