

She Mine

Velvet Revolver

Love songs keep pumpin' on my radio
You split on Monday
Took your machine that kept me afloat
Now your back, it's Tuesday I call it love insanity
I call it my reality She mine
Mine all mine
She mine
Mine all mine Cool kids keep movin' as the car explodes
Roll around on Sunday
Threw down and loose that's just the way to go
Poppin' pills like candy I call it love insanity
I call it my reality She mine
Mine all mine
She mine
Mine all mine Run away, oh, from own mistakes
Break through from the chains She mine
Mine all mine
She mine
Mine all mine She mine
(Love songs keep pumpin' on my radio)
Mine all mine
(You split on Monday) She mine
(Cool kids keep movin' as the car explodes)
Mine all mine
(Roll around on Sunday)
