

# Numb (feat. Angel Haze)

Nick Jonas

This is so dumb, this is so bad  
Gotta be a numb to miss you like that  
Lift me up, let me to fall  
Fuck with my head like it's nothing at all  
You were my sun, you were my air  
I was your best, and you were my first  
Breaking my heart one wish at a time  
Well here's a piece of my mind, yeah You don't know what it is that you do to me  
Yeah, you steal my heart  
And all I have is a hole where it used to be  
And my heart is fighting  
Now you've got some substitute for me,  
But he's not the one!  
You don't know what it is that you do to me Yeah, you leave me numb  
Yeah, you leave me numb  
Numb Losing my mind, losing control  
Swallow my pride, you swallow me up  
Smile on my face to cover my hurt,  
Spend so much time, but what was I worth  
I'm broken-heart, I'm saving it up  
Crossin' in my hand, mistaken for love  
Nails in my bag, they don't mean a thing  
They ain't yours, they ain't yours! You don't know what it is that you do to me  
Yeah, you steal my heart  
And all I have is a hole where it used to be  
And my heart is fighting  
Now you've got some substitute for me,  
But he's not the one!  
You don't know what it you do to me Yeah, you leave me numb  
Numb  
Yeah, you leave me numb (numb)  
Numb  
You leave me I got trapped off in a blackbox lit from the matchbox of your rage  
You say we are mildly players, who's still act off of the stage  
I kept begging you to stay like "Baby, please don't leave me"  
"Know you don't like fall but what's one more season?"  
And I dream on, you gettin' your plot and your scheme on  
And I just be here with my theme song  
He love me, he love me, no he don't

'Cause you make me feel like the night before Christmas  
Love is a crime and I'm stuck in your prison  
Far as you want, baby I'll go the distance  
If you're numb and I'm numb, then what is we're feeling?! You don't know what it is that you do to me  
Yeah, you steal my heart  
And all I have is a hole where it used to be  
And my heart is fighting  
Now you've got some substitute for me,  
But he's not the one!  
You don't know what it you do to me Yeah, you leave me numb  
Numb  
Yeah, you leave me numb  
Numb  
Yeah you leave me numb
