How Can You Mend A Broken Heart?

Bee Gees

I can think of younger days when living for my life
Was everything a man could want to do
I could never see tomorrow

But I was never told about the sorrowAnd how can you mend a broken heart? How can you stop the rain from falling down?

How can you stop the sun from shining?

What makes the world go round? How can you mend this broken man?

How can a loser ever win?

Please help me mend my broken heart

And let me live againI can still feel the breeze that rustles through the trees

And misty memories of days gone by

We could never see tomorrow

No one said a word about the sorrowAnd how can you mend a broken heart? How can you stop the rain from falling down?

How can you stop the sun from shining?

What makes the world go round? And how can you mend this broken man?

How can a loser ever win?

Please help me mend my broken heart And let me live againPlease help me mend my broken heart And let me live again
