Each Day Like It's the Last Day

â€œEach Day Like Itâ€™s the Last Dayâ€•
(Doak Snead ïƒ£ 2006)

I live Each Day Like itâ€™s the Last Day
I take each pathway like itâ€™s the best way
Iâ€™ve walked down dirt roads
Danced on mountaintops
Iâ€™ve spent wondrous hours
Hoping theyâ€™d never stop
Iâ€™ve seen miracles fall from outer space
Iâ€™ve seen parables written on a face
And I live each day like itâ€™s the last day

These things I am thankful for
The morningâ€™s breath the evening star
For winterâ€™s nights with warming fires
And kisses of my own desires borrowing time

I live Each Day Like itâ€™s the Last Day
I take each pathway like itâ€™s the best way
Iâ€™ve seen young men stand in long lines
Searching for God knows what
Things they may never find
Iâ€™ve seen miracles fall from outer space
Iâ€™ve seen parables written on a face
And I live Each Day Like itâ€™s the Last Day

I live Each Day Like itâ€™s the Last Day
I take each pathway like itâ€™s the best way
Iâ€™ve seen old men sipping new wine
Searching for God knows what running out of time
Iâ€™ve seen miracles fall from outer space
Iâ€™ve seen parables written on a face
And I live Each Day Like itâ€™s the Last Day
