

# The Very Best of Me

George Jones

If I should die before I wake  
Darling to this world I will donate  
Give my dry lips to Jack Daniels  
Give the Jukebox both my ears  
Plant one foot in Texas one in Tennessee  
and send my back side to my ex wife  
tell her to seal it with a kiss  
Girl I'm leaving you the very best of me  
I don't see why anyone would want my old bloodshot brown eyes  
My old heart is gone and full of memories  
But I'll donate all my parts to any other body that's in need  
But girl I'm leaving you the very best of me  
So, Give my dry lips to Jack Daniels  
Give the Jukebox both my ears  
Plant one foot in Texas one in Tennessee  
and send my back side to my ex wife  
tell her to seal it with a kiss  
But I'm leaving you the very best of me  
Now when I stop and think  
about the thing that I know I'm going to leave behind  
I ain't got much of anything a body needs  
But girl I'm leaving you sweet memories of our days and nights of love  
Girl I'm leaving you the very best of me  
Give my dry lips to Jack Daniels  
Give the Jukebox both my ears  
Plant one foot in Texas one in Tennessee  
and send my back side to my ex wife  
tell her to seal it with a kiss  
But I'm leaving you the very best of me  
Oh Baby you've always had the very best of me
