

# **Janky**

## **Jandek**

Sure is clanky that hobnail Janky  
Cleaning my boots in the pebbles and the sun  
Along come Janky he sure is clanky  
That Janky is clanky all the time  
Clanky Janky, clanky Janky  
Butter me up some bread right now  
Don't wanna be clanky but here comes Janky  
Janky is clanky I'll have you know  
That Janky is clanky all the time  
Clanky Janky  
Clanky Janky
