

# What You Waiting For (feat. SUGARWHISKEY)

## Gazzo

Letâ€™s dive deep into the water  
Weâ€™ll find pearls  
Wonâ€™t cost a dollar  
Well donâ€™t you know  
Itâ€™s now or never [x3] yea  
Iâ€™m feeling lucky this time  
Do or die lets give it a try

Weâ€™re on fire  
So tell me what youâ€™re waiting for  
Weâ€™re on fire  
So tell me what youâ€™re waiting for  
Weâ€™re burning up hot, yea  
Hotter than the sun  
Weâ€™re on fire  
So tell me what youâ€™re waiting for

Letâ€™s raise hell  
On this mother  
Dream big in every color  
Yea donâ€™t you know  
Itâ€™s now or never [x3] yea  
Iâ€™m feeling lucky this time  
Do or die lets give it a try

Weâ€™re on fire  
So tell me what youâ€™re waiting for  
Weâ€™re on fire  
So tell me what youâ€™re waiting for  
Weâ€™re burning up hot, yea  
Hotter than the sun  
Weâ€™re on fire  
So tell me what youâ€™re waiting for

Take a little faith  
Weâ€™ve got no time to hesitate  
I believe we will make  
Something we can celebrate

Weâ€™re on fire

So tell me what youâ€™re waiting for  
Weâ€™re on fire  
So tell me what youâ€™re waiting for  
Weâ€™re burning up hot, yea  
Hotter than the sun  
Weâ€™re on fire  
So tell me what youâ€™re waiting for
