Squeeze Me

Barbara Hendricks

Oh, want to squeeze me, have mercy
Baby, won't you tease me
Come on and squeeze me
I like it when you tease meLike the way you shake your thang
Like the way you move
Love the way you so casually
Slide into the grooveYou know, you take me so high boy
I don't want to come down
You don't have to be shy baby
As long as I'm aroundOoh, you love me so good
I could never love another
And I wish you would
Not be so undercoverCome on and squeeze me
Baby, won't you tease me
Come on and squeeze me
I like it, I like it when you tease meWhenever I get lonely
I start thinking about you
Ooh, sweet baby you're the only one
Can do the things you doYou tickle my fascination
I get all caught up around you
Such a thrilling sensation
When you get into my grooveHold me
Tell me I'm your one and only baby
Ooh, make it good tonight
I'm gonna make it feel so niceOoh, your love is so good
I can never love another
And I wish you would
Not be so undercoverCome on and squeeze me, have mercy
Baby, won't you tease me
Squeeze me
I like it, I like it when you tease meSqueeze me, say won't you
Baby, won't you tease me
Come on and squeeze me
Say baby, won't you tease meSqueeze me
Tease me
Squeeze me
Tease meSqueeze me
Tease me
Squeeze me

Tease meSqueeze me
Tease me
Squeeze me
Tease me
