The Chameleons UK

Hey, one afternoon
A part of me parted too soon
And slipped away
I don't know what to say

Eyes that drew me in
To wonderful, wonderful sin
And it blew me away
I don't know what to say

In answer, in answer, in answer
Nothing matters to me

Hey, one cold, grey afternoon
A part of me parted too soon
And it slipped away
I don't know what to say

Eyes that drew me in
To wonderful, wonderful sin
And it blew me away
I don't know what to say

In answer, in answer, in answer
Nothing matters to me
Nothing matters to me

Believe me
You own my soul completely

And from day to day
And from hour to hour
I will be, I will be
Always in your power
Set my spirit free

As I fell down to the ground
And my head swam around and around
And I didn't know

Which way was up or down

Hey, one cold grey afternoon
A part of me parted too, parted too soon
I touched the moon
I don't know what to say

In answer, in answer
You're all that matters to me
You're all that matters to me

La-la-la-la-la -la-la-la
La-la-la-la-la -la-la-la
