

Diamond Days

Kids in Glass Houses

I feel your body shaking
Lying next to mine
Could be the devil talking
Could be the holy wine
Says we can do whatever
Says we can lead the blind
Cause the closest to alive youll feel this side of death
Is knowing that you tried
Were screaming at the moon together
And tonight were gonna live forever
Cause the diamond days
Fade away
And were gonna run away
Tonight were gonna live forever
I hear the darkness calling
On the edge of town
Wed better go on walking
If the car breaks down
We go down together
Cause what is yours is mine
The closest to alive well feel this side of death
Is knowing that we tried
Were screaming at the moon together
And tonight were gonna live forever
Cause the diamond days
Fade away
And were gonna run away
Tonight were gonna live forever
