Falling

Agnes Monica

I have been on this road
so many days
about million faces
but i'm feeling alone
from city lights
took instant storm
from to the last
but then staying home..when i'm alone, i think of you..
and i keep falling falling in the edge..even though it's raining..
I can keep on smiling..
coz I know I'm falling into you..we don't know where we going
we just keep in moving
all I know I am falling into you..
lets just get fallingfallingfalling hiye iye iyee..now you not there
no plan at all
take me a man
did you just give me my own
but you are there
and i am here
there a feeling
has there ever been this clear
when i'm alone, i think of you..even though it's raining..
I can keep on smiling..
coz I know I'm falling into you..we don't know where we going
and we just keep in moving
all I know I am falling into you..lets just get keep falling falling falling hiye iye iyee..
so lets just get keep falling falling falling hiye iye iyee..
lets just get keep falling hiye iye iyee..
lets just get falling hiye iye iyee..and i can keep you shining
you can keep me burning hiye iye iyee..
when we also can stand by
striving out on your eyes
i just knew where we stay for thiseven though it's raining..
I can keep on smiling..
coz I know I'm falling into you..we don't know where we going
and we just keep in moving
all I know I am falling into you..and i can keep you shining
you can keep me burning hiye iye iyee..
when we also can stand by

striving out on your eyes
i just knew where we stay for thisso lets just get keep falling falling falling hiye iye iyee..
so lets just get keep falling falling falling hiye iye iyee..
lets just get falling hiye iye iyee..
