Risk

Jorge SalÃ¡n

You can't talk
I'm anxious
I'm off the walls
I'm right here just
Come outside
And see it
But pack your heart
You might need it
I'll find a way
I'm confused though
But I think I can try
I will save your life
I will save your life
I'll try for you
You're locked up
You exhaled
You did it before
And I seen it
Come outside
And breathe in
Relax your arms
And let me in
I'll find a way
I'm confused though
But I think I can try
I will save your life
I will save your life
I'll try for you
I know what to say
To take you
Higher, higher
No one else can
Take you higher
But I will try
I'll find a way
I'm confused though
But I think I can try
I will save your life
I will save your life

I'll try
I'll find a way
I'm confused though
But I think I can try
I will save your life
I will save your life
I'll try for you
For you
