Cascade Waltz

Can

So a son sit down stop,
Kicked on a to the top,
Reached the sun, looked around,
Heartbeat was the only sound.
The line afloat with milk and honey,
Girls and cars and sex and money,
A spaceship flew across the sky,
Inside an astronaut softly cried.
Does anyone here really understand
What goes on in the heart of a man?
Does anyone here really understand
What goes on in the heart of a man?
