

Her Daddy Doesn't Like Me

Petey Plastic

Her daddy don't like me cuz I'm richer than him
Cuz I'm richer than him
Cuz I'm richer than himHer daddy don't like me cuz I'm richer than him
Cuz I'm richer than him
Cuz I'm richer than himDaddy hates when I drive you around in my Benz
We look like Barbie and ken
I'm only fuckin with 10sI can't believe he fell for we are just friends
I keep ahead of the trends
Ride or die to the endThe only blessing I need
Is the one of his daughter
Got it In the palm of my hand
Cuz her pussy I slaughterGot her leaking my friend
Like a pipe out of order
And when I'm putting it down
She's like a fish outta water
(Gasping for breath)Her daddy don't like me cuz I'm richer than him
Cuz I'm richer than him
Cuz I'm richer than himHer daddy don't like me cuz I'm richer than him
Cuz I'm richer than him
Cuz I'm richer than himHahaI'm fucking daddy's little girl
His only joy out in this world
Jizzing on her body
Leaving nothing but my pearls
oh you mad?CuZ I am her favorite ride
So I'll take her for a drive
Pussy so wide
Looks like a cave I came insideOh my
What a guy
But I really am a gentleman
But when it comes down to my bitch
I gotta to be dominantI gotta show the world that I really fucking own that shit
So come on baby spit and sit
Show me what your working with
