The Northern

Alexisonfire

He comes, he comes
Judge so severe
Seven trumpets speak
Oh, they speak him near
He comes, he comes
Judge so severe
Seven trumpets speak
Oh, they speak him near
He comes, he comes
Judge so severe
Seven trumpets speak
Speak the sound of fear
He comes, he comes
Judge so severe
Seven trumpets speak
Speak the sound of fear
Oh mother, you oughta be there
I'm gonna go to heaven when I die
(I want to go to heaven)
Roll Jordan, roll Jordan, roll Jordan
Oh father, you oughta be there
I'm gonna go to heaven when I die
(I want to go to heaven)
Roll Jordan, roll Jordan, roll Jordan
He comes, he comes
Judge so severe
Seven trumpets speak
Oh, they speak him near
Hallelujah, we'll praise the Lord
Hallelujah, hallelujah
He comes, he comes
Judge so severe
You know the seven trumpets
Well, they speak him near
Hallelujah
(We'll praise the Lord)
Hallelujah, hallelujah
(We'll praise the Lord)
Hallelujah

Oh mother, you oughta be there
I'm gonna go to heaven when I die
(I want to go to heaven)
Roll Jordan, roll Jordan, roll Jordan
Oh father, you oughta be there
I'm gonna go to heaven when I die
(I want to go to heaven)
Roll Jordan, roll Jordan, roll Jordan
Oh sister, you oughta be there
I'm gonna go to heaven when I die
(I want to go to heaven)
Roll Jordan, roll Jordan, roll Jordan
Oh brother, my sweet brother
I'm gonna go to heaven when I die
(I want to go to heaven)
