

# The World I Know

Pat Green

Has our conscience shown?  
Has the sweet breeze blown?  
Has all the kindness gone?  
Hope still lingers on  
I drink myself of newfound pity  
Sitting alone in New York City  
And I don't know why  
Are we listening  
To hymns of offering?  
Have we eyes to see  
That love is gathering?  
All the words that I've been reading  
Have now started the act of bleeding into one  
Into one  
So I walk up on high and I step to the edge

To see my world below  
And I laugh at myself while the tears roll down  
'Cause it's the world I know, it's the world I know  
I drink myself of newfound pity  
Sitting alone in New York City  
And I don't know why, I don't know why  
So I walk up on high and I step to the edge  
To see my world below  
And I laugh at myself while the tears roll down  
'Cause it's the world I know, it's the world I know  
Yeah, I walk up on high and I step to the edge  
To see my world below  
And I laugh at myself while the tears roll down  
'Cause it's the world I know, it's the world I know
