

# Train Whistle Blues

## Maya and the Ruins

When a woman gets the blues she hangs her little head and cries  
When a woman gets the blues she hangs her little head and cries  
But when a man gets the blues he grabs a train and rides  
Every time I see that lonesome railroad train  
Every time I see that lonesome railroad train  
It makes me wish I was going home again  
Look a-yonder coming, coming down that railroad track  
Look a-yonder coming, coming down that railroad track  
With the black smoke rolling, rolling from that old smoke stack  
I got the blues so bad till the whole round world  
look blue  
I got the blues so bad till the whole round world looks blue  
I ain't got a dime, I don't know what to do  
I'm weary now, I want to leave this town  
I'm weary now and I want to leave this town  
I can't find a job, I'm tired of hanging around
