

Tomorrow

Gemma Hayes

Brightest eyes I know
God speed you
Palest skin I throw
Myself in
Count me as your friend
You don't scare me
Man you got to know

I'll be here tomorrow

Drive your sister's car
To my house
Confusion an skin
Much later

Brightest eyes I've known
God's favourite
Man you got to know

I'll be here tomorrow
I'll be here tomorrow
I'll be here tomorrow
I'll be here tomorrow
Tomorrow
