

# I've Got Plans For You

**Donny Osmond**

(spoken)

Hey, little girl, I've been watching you  
and thinking about all the things that we both could do  
When the right time comes, and you walk my way  
I'll take your hand and you'll hear me say

(chorus)

I've got plans for you, believe me  
I'm gonna teach you to really need me  
just like I need you

(spoken)

I've seen your eyes laugh when you were glad  
Then filled with tears when you were sad  
thinking of a love that just didn't last  
well I'm here to tell you girl, that's all in the past

(Chorus)

(spoken)

You know, I have something to believe in when the day is through  
'Cause when I think about tomorrow my heart is filled with you  
You may have known another before I met you,  
but now that's all in the past so he better forget you

Oh, baby

(Chorus 3 times)
