

Pull Out the Pin

Kate Bush

Just as we hit the green
I've never been so happy to be alive
Only seven miles behind
You could smell the child
The smell of the front lines survival With my silver Buddha
And my silver bullet
(I pull the pin) You learn to ride the earth
When you're living on your belly
And the enemy are city-births
Who need radar? We use scent
They stink of the West, stink of sweat
Stink of cologne and baccy
And all their Yankee hash With my silver Buddha
And my silver bullet
(I'm pulling on the pin)
Ooh, I pull out, pull out the pin
(Pulling on the pin, oh) Just one thing in it
Me or him
(And I love life)
(Pull out the pin) Just one thing in it
Me or him
(And I love life)
(Pull out the pin) Just one thing in it
Me or him
(And I love life)
(I love life)
(I love life)
(Pull out the pin) I've seen the coat for me
I'll track him til he drops
Then I'll pop him one he won't see
He's big and pink and not like me
He sees no light
He sees no reason for the fighting With my silver Buddha
And my silver bullet I had not seen his face
Til I'm only feet away
Unbeknown to my prey
I look in American eyes
I see little life, see little wife
He's striking violence up in me With my silver Buddha

And my silver bullet
(Im pulling on the pin)
Ooh, I pull out, pull out the pin
(Pulling on the pin, oh)Just one thing in it
Me or him
(And I love life)
(Pull out the pin)Just one thing in it
Me or him
(And I love life)
(Pull out the pin)Just one thing in it
Me or him
(And I love life)
(I love life)
(I love life)
(Pull out the pin)Just one thing in it
Me or him
(And I love life)
(So I pull out the pin)Just one thing in it
Me or him
(And I love life)
(So I pull out the pin)Just one thing in it
Me or him
(And I love life)
(I love life)
(I love life)I love life
I love life
I love lifeI love life
I love life
I love life
Pull out the pin
