

Come Back To Me (Quentin Harris Radio Edit)

Utada

The rain falls on my windows
And the coldness runs through my soul
And the rain falls, oh the rain falls
I don't want to be alone
I wish that I could Photoshop
All our bad memories
Cause the flashbacks, oh the flashbacks
Won't leave me alone If you come back to me
I'll be all that you need
Baby come back to me
Let me make up for what happened in the past Baby come back to me
I'll be everything you need
Baby come back to me
Boy you're one in a million
Baby come back to me
I'll be everything you need
Baby come back to me
You're one in a million (One in a million) Lower East Side of Manhattan
She goes shopping for new clothes
And she buys this and she buys that
Just leave her alone
I wish that he would listen to her side of the story
It isn't that bad, it isn't that bad
And she's wiser for it now I admit I cheated
Don't know why I did it
But I do regret it
Nothing I can do or say can change the past Baby come back to me
I'll be everything you need
Baby come back to me
Boy you're one in a million
Baby come back to me
I'll be everything you need
Baby come back to me
You're one in a million (One in a million) Everything I ever did
Heaven knows I'm sorry babe
I was too young to see
You were always there for me
And my curiosity got the better of me
Baby take it easy on me Anything from A to Z

Call me what you wanna babe
I open my heart to thee
You are my priority
Can't you see you've punished me
More than enough already
Baby take it easy on me Baby come back to me
I'll be everything you need
Baby come back to me
Boy you're one in a million
Baby come back to me
I'll be everything you need
Baby come back to me
You're one in a million (One in a million) Baby come back to me
I'll be everything you need
Baby come back to me
Boy you're one in a million
Baby come back to me
I'll be everything you need
Baby come back to me
You're one in a million (One in a million)
