Blue Ice

PanaCea

It hurts when I breathe
It hurts when I speak
You want everything I own
Everything you wanted
I keep running away, running away, running away
You keep fading away, fading away, fading away
It always ends in the same way
The sun gets in your eyes
I won't be surprised that next time
These blue eyes came out of the blue
Out of the blue, blue, blue
It never gets old
It never changes
Does it
Airport to city
The moment is breaking my promise
So I keep drifting away, drifting away, drifting away
And you keep fading away, fading away, fading away
It always ends the same way
The sun gets in your eyes
I won't be surprised the next time

But these blue eyes came out of the blue
Blue, blue, blue
It hurts when I breath
It hurts when I speak
Still want it
Everything I own
Everything you wanted
I keep running away, running away, running away
You keep fading away, fading away, fading away,
It always ends the same way
The sun gets in your eyes
I won't be surprised the next time
But these blue eyes
It always ends in the same way
The sun gets in your eyes
But these blue eyes came out of the blue
Out of the blue, blue, blue

Blue, blue, blue
