Slow Train

Hans Theessink

I've been on my way
For such a long time
Singing the blues
Up and down this road
Seen good times
And i've seen bad times sometimes
But i wanna go back
To the time and place i used to know
Let me ride
Ride on the slow train
Carry me home
Carry me home
Been out on the street
With the brokedown and hungry
Drank wine with kings and queens
Seen right and wrong
Now I'm feeling
Kind of tired and weary
Wished a slow train
Come and take me home
Let me ride
Ride on the slow train
Carry me home
Carry me home
Let me ride
Ride on the slow train
Carry me home
Carry me home
Time will come
When my travelling days are over
At the end of this winding road
Where the journey ends
Don't you bury me boys
Just leave me standing at the crossroads
I know a slow train
be coming around the bend
Let me ride
Ride on the slow train
Carry me home

Carry me home
Let me ride
Ride on the slow train
Carry me home
Carry me home
Let me ride
Ride on the slow train
Carry me home
Carry me home
