Can't Help Myself

ICEHOUSE

She comes walking down the street
That's the kind, hey,
That's the kind I want to meet
I think I'm making it up
I should be putting it down
and it's beginning to show
I get it fixed in my head
and it won't let goOh, I can't help myself
when I feel this way
I want to be someone else
When I get this feeling
it gets in my system
I can't put the brakes on
Now she's walking next to me
that's the place, yeah,
that's the place I want to be
I think I'm making it up
I should be putting it down
and it's beginning to show
I get it fixed in my head
and it won't let go
