

# I'm Still Here (Jim's Theme)

## Goo Goo Dolls

I am a question to the world  
Not an answer to be heard  
Or a moment that's held in your arms And what do you think you'd ever say?  
I won't listen anyway, you don't know me  
And I'll never be what you want me to be And what do you think you'd understand?  
I'm a boy, no, I'm a man  
You can't take me and throw me away And how can you learn what's never shown?  
Yeah, you stand here on your own  
They don't know me 'cause I'm not here And I want a moment to be real  
Wanna touch things I don't feel  
Wanna hold on and feel I belong And how can the world want me to change?  
They're the ones that stay the same  
They don't know me 'cause I'm not here And you see the things they never see  
All you wanted I could be  
Now you know me and I'm not afraid And I wanna tell you who I am  
Can you help me be a man?  
They can't break me as long as I know who I am And I want a moment to be real  
Wanna touch things I don't feel  
Wanna hold on and feel I belong And how can the world want me to change?  
They're the ones that stay the same  
They can't see me but I'm still here They can't tell me who to be  
'Cause I'm not what they see  
Yeah, the world is still sleepin' While I keep on dreaming for me  
And their words are just whispers  
And lies that I'll never believe And I want a moment to be real  
Wanna touch things I don't feel  
Wanna hold on and feel I belong And how can they say I never change?  
They're the ones that stay the same  
I'm the one now 'cause I'm still here I'm the one 'cause I'm still here  
I'm still here, I'm still here, I'm still here
