Run

Jamie Lynn Spears

I'm bored, It's hot
Let's play a little game
Of ready or not
Gas up, Drive through
Pick us up a margarita or two
Two lanes no phone
No time I gotta get back home
You know I know
You wanna know
No need to fight
It'd be a crying shame
To wasted this night

Run with me honey
I'll take you on down
To where I'm from
Come with me honey
Where everything's sacred
And nothing gets done
We got a whole town
Full of saints and sinners
Late to rise
And early for dinner
Either way the sun's gonna come
So baby let's run

Be bad be good
Wait 'til you see
What's under this hood
It's fast it's strong
Brace yourself
You better hold on
You drive I'll ride
Take you cross the river
To the other side
round here we don't fool around
Ain't no moon tonight for slowin' down

Run with me honey

I'll take you on down
To where I'm from
Come with me honey
Where everything's sacred
And nothing gets done
We got a whole town
Full of saints and sinners
Late to rise
And early for dinner
Either way the sun's gonna come
So baby let's run

Run with me honey
Run with me honey
Run with me honey
Run with me hobey

You ain't got nothin
Better to do
Than...

Run with me honey
I'll take you on down
To where I'm from
Come with me honey
Where everything's sacred
And nothing gets done
We got a whole town
Full of saints and sinners
Late to rise
And early for dinner
Either way the sun's gonna come
Don't you know
That you could be the one
So baby let's run

You know you wanna run
Mm, mmmmm, mm, mmmm
Run
Mmm, mmm,
You know you wanna run
