

Suicidal Maniac (Suicidal Tendencies Cover)

Hatebreed

A birth that came from more than sound

Now rages on from town to town

A giant grows more every day

And now the maniac is here to stayA feeling you can't kill

It's the power, it's a will

Controls your thoughts but you can't seeJust when you thought it safe he suddenly appears

He feels no pain, he has no mercy or no fears

He gives the message and your mind is filled with blue

And now the maniac lives inside of youHe's back. The suicidal maniac. Each day he grows more and more

He's bigger now than ever before

His thoughts he'll compromise on never

He can't be stopped. He'll live forever

Blast away through the mind

A power of another kind

A presence that is growing out of soundAnd now it's come, the time the maniac I'll meet

He takes my hand and now I bow down to his feet

His love for me is like a father to a son

And now the maniac and I are oneI bow to his might

Too powerful to fight

And it's my destiny

Now the maniac lives inside of meHe's back. The suicidal maniac. An army at his command

A strength that you can't comprehend

A force unknown can now be told

The power of the world he holds

A feeling you can't kill

It's the power, it's the will

Controls your thoughts but you can't seeJust when you thought it safe he suddenly appears

He feels no pain, he has no mercy or no fears

He gives the message and your mind is filled with blue

And now the maniac's a part of youAnd the time has come. The maniac you'll meet

He takes your hand and now you bow down to his feet

His love for you is like a father to a son

And now the maniac and you are oneHe's back. And it's the suicidal maniac.
