

Love Story (You and Me)

Randy Newman

I like your bother, I like your mother
I like you and you like me too
Well get a preacher, Ill buy a ring
Well hire a band with an accordion, violin
And a tenor who can sing You and me, you and me, baby
You and me, you and me, you and me, baby
You and me, you and me, you and me, baby
You and me, you and me, you and me, baby Well have a kid or maybe well rent one
Hes got to be straight, we dont want a bent one
Hell drink his baby brew from a big brass cup
Someday he may be President if things loosen up You and me, you and me, baby
You and me, you and me, you and me, baby
You and me, you and me, you and me, baby
You and me, you and me, you and me, baby Ill take the train into the city evry mornin
You may be plain, I think youre pretty in the mornin
And some nights well go out dancin if Im not too tired
Some nights well sit romancin
Watchin' the late show by the fire When our kids are grown with kids of their own
Theyll send us away to a little home in Florida
Well play checkers all day 'til we pass away
