

I Wonder as I Wander

[Audrey Assad](#)

I wonder as I wander out under the sky
How Jesus my Saviour did come for to die
For poor on'ry people like you and like I
I wonder as I wander out under the sky I wonder as I wander out under the sky
That Jesus my Saviour did come for to die
For poor on'ry people like you and like I
I wonder as I wander out under the sky I wonder as I wander out under the sky
