Someone Loves You Honey

Charley Pride

I wanna share your life
Every minute, every day and night
And I just want you to know
That whatever you do and wherever you goRemember, someone loves you, honey
No matter what, just be my, girl
Someone loves you, honey
More than anything in the worldI'm so glad that I'm the one
That you come to when you need someone
That's what my love is for
It's a shoulder to lean on, a port in the stormRemember, someone loves you, honey
No matter what, I just want you to be my, girl
Someone loves you, honey
More than anything in the world
