

End of the Night

The Doors

Take the highway to the end of the night
End of the night, end of the night
Take a journey to the, bright midnight
End of the night, end of the night Realms of bliss, realms of light
Some are born to sweet delight
Some are born to sweet delight
Some are born to the endless night
End of the night, end of the night
End of the night, end of the night Realms of bliss, realms of light
Some are born to sweet delight
Some are born to sweet delight
Some are born to the endless night
End of the night, end of the night
End of the night, end of the night
