

Wrong Feels So Right

Carly Rae Jepsen

You got your way with me now didnt cha
And I dont know why
Things you do are things weve done before
Dont you be lookin at
me darlin
With your sneaky eyes
Now what could you be lookin at me for
Sometimes when Im lonely I close my eyes
Some nights when I cant sleep I fantasize
Hard to believe that youre right here tonight
Im goin out of my mind
Uh oh uh oh uh oh uh oh uh oh uh oh ohhh
I think
This could be
The one night
I give in to this fight
Boy I just might
Cause you rule my head
I cant stop the motion
Hold me
Be the way you told me
Whisper somethin so sweet
This could be the night
Wrong feels so right
This could be the night
Wrong feels so right
Breakin my heart to see you lover
And I dont know why
Things you say are things youve said before
Stead of the truth
I swear youd stick a needle in your eye
Now what could you be lookin at me for
Sometimes when Im lonely I close my eyes
Some nights when I cant sleep I fantasize
Hard to believe that youre right here tonight
Im goin out of my mind
Uh oh uh oh uh oh uh oh uh oh uh oh ohhh
I think
This could be

The one night
I give in to this fight
Boy I just might
Cause you rule my head
I cant stop the motion
Hold me
Be the way you told me
Whisper something so sweet
This could be the night
Wrong feels so right
Tell me what was I supposed to do
With that type of attention
I gave all that I had to you
You forgot to mention
When you say that your heart is true
Its just an invention
But not your intention
Ohh
Tell me what was I supposed to do
With that type of attention
I gave all that I had to you
You forgot to mention
When you say that your heart is true
Its just an invention
But not your intention
I think
This could be
The one night
I give in to this fight
Boy I just might
Cause you rule my head
I cant stop the motion
I cant stop the motion
I cant stop the motion
Stop the motion
Stop the motion
Wrong feels so right
This could be the night
Wrong feels so right
This could be the night
Wrong feels so right
