

# Rael

## Petra Haden

The Redchins in their millions  
Will overspill their borders  
And chaos then will reign in our RaelThe country of my fathers  
A proud land overloaded  
Like a goldfish being swallowed by a whaleRael the home of my religion  
To me, the center of the earthThe Redchins in their millions  
Will overspill their borders  
And chaos then will reign in our RaelMy heritage is threatened  
My roots are torn and cornered  
And so to do my best I'll homeward sail  
And so to do my best I'll homeward sailNow captain, listen to my instructions  
Return to this spot on Christmas day  
Look toward the shore for my signal  
And then you'll know if in Rael I'll stayIf a yellow flag is fluttering  
Simply held against the morn  
Then you'll know my courage is ended  
And you'll send your boat ashoreBut if a red flag is flying  
Brazen, bold against the blue  
Then you'll know that I am staying  
And my yacht belongs to youNow captain listen to my instructions  
Return to this spot on Christmas day  
Look toward the shore for my signal  
And then you'll know if in Rael I'll stayHe's crazy if he thinks we're coming back again  
He's crazy if he thinks we're coming back again  
He's crazy if he thinks we're coming back again  
He's crazy anywayIf a yellow flag is fluttering  
Sickly held against the morn  
Then you'll know my courage is ended  
And you'll send your boat ashore
