How I Need You

Bad Boys Blue

I want you - now and forever
- Thats why did you do it!
I miss you - now that youve gone
- Im not a type of girl to mess around with!
I just called to say: I really love
- You should have thought of that before!
And girl, I do regret
Every single word that I said.
The night is so empty without you
And lonelynesss falling upon my mind
Im trying to touch you in my dreams
My heart is crying - baby

Oooh, how I need you
Oooh, how I need you

Im waiting every nighttime
- My nights have been so lonely since youve been gone
Ill kiss you and hold you tight
- I dream about this feeling every night
What I mean is: girl, I really changed now
- Id really love to believe you!
I swer to you, I do! Girl, Ill never make you blue
The night is so empty without you
And lonelinesss falling upon my mind
Im trying to touch you in my dreams
My heart is crying - baby

Oooh, how I need you
Oooh, how I need you
